The Digital Clinic – Remote Repair Fix Catalog

🎙️ Mic Resurrection + Radio Soundboard Setup

We'll set up your entire Voicemeeter + Voicemod pipeline and give you access to a custom radio-style EQ preset list so you sound like a podcast god. Includes routing, compression, gain control, and free soundboard config using pro-grade apps that cost $0 (optional: cheap Voicemod Pro lifetime key if needed). We walk you through every step and explain it in human terms.

⏱️ 30–90 mins

💰 $30–$50

🔗 DM with OS + mic model (USB or XLR)

🎛️ Streamlabs OBS Full System Setup

Complete Streamlabs OBS setup: overlays, StreamDeck links, chatbot setup, alert integrations, scene transitions, bitrate config, audio loopback fixes, and stream output optimization.

⏱️ 60–120 mins

💰 $60–$100

🔗 DM or TDC Intake Form

🚫 Stream Has No Sound / Bitrate Trash / Audio Desync

We fix: no game/mic audio, distorted or low sound, bitrate issues, misrouted audio, Elgato/Discord input errors. Full route diagnosis and correction.

💰 You set the price

🔗 DM with game + system

🛠️ Custom Remote Fix (Triage-Based)

Explain your glitch, we assess and fix it if within range of tools provided. Custom quotes issued after triage.

⏱️ Triage + real-time

💰 Starts at $25

🔗 DM or Booking Form

🧙 GTA5 NetCut Config & BEFF Toolkit Setup

For elite-level GTA glitchers only.

We'll get NetCut by Arcia.com running through your PC and routed to your console (Xbox One and Series X|S, or PS4 only) for BEFF, modded outfit builds, Magic Slot Flipping, Frozen Money BEFF, and more.

🔧 This service includes:
- NetCut legacy version config
- PC-to-console routing
- USB-to-Ethernet adapter setup
- Dual console BEFF prep
- WiFi swap method for lagout stability
- Optional Xbox Cloud tether (no capture card required for those recording footage or going LIVE on Twitch Or YouTube)

⚠️ Full BEFF training is not included. If you're just getting started, we recommend watching detailed walkthroughs on our partner YouTube channel:

🎥 Glitchlife YT Channel: https://www.youtube.com/@Glitchlife.Inc

📌 This remote config service is for users who already understand the risks and methods.

⏱️ 60–120 mins

💰 $60–$100 (based on setup & issues)
🔗 DM with console type, OS, and NetCut experience level
🚫 PS5 not supported

The Digital Clinic – Remote Repair Fix Catalog

👀 I'm a self-taught tech specialist with over 8 years of hands-on experience in streaming system optimization, remote troubleshooting, and digital content automation. I've built, repaired, and customized Windows environments, VPNs, audio pipelines (Voicemeeter/OBS), and real-time game exploits with high precision.

📋 My background includes independent freelance support for creators, gamers, and streamers under my brand "The Digital Clinic." https://thedigitalclinic.tech Your business is what fuels our mission. Our mission is to change how content creators, gamers, studio owners, Live Streamers, YouTubers, TikTok Lives, etc. remedy their everyday tech issues and content problems, from software install to hardware config we got you covered. Waste no time connecting with our live service resolving issues fast and reliable. No more scrolling for hours, Once you contact us, we connect remotely and diagnose the issue, repair and resolve the problem. The work is guaranteed

🛠️ I also maintain 3 operational and monetized YouTube channels, handle AI-generated scripting, and build end-to-end digital pipelines from scratch. I excel at problem-solving under pressure and have developed tools and workflows that bypass conventional limitations — including sandboxed systems and real-time AI integration. As we grow so will our skill sets and services. We are here to stay!

🔥 This is what I do and I do it well. Your support is appreciated. Thank you for trusting The Digital Clinic. If you're interested in joining the Team TDC email or dm https://x.com/TDC_FIx_It we look forward to your service.

🏥Emergency Digital Support for Streamers, Coders, Gamers, and Console Warriors🏥

🖥️You stream it, we fix it. You break it, we resurrect it.

📶100% Remote. 100% Real-Time.
